04
Sustainable Finance

UCF, municipal bonds, green bonds and reform finance readiness.

Positioning: Municipal Finance • ULB Financial Planning • Urban Infrastructure Finance for Indian Cities

SERVICES

Focused support for Urban Local Bodies

Eight practical service lines shaped around municipal finance, compliance, planning and urban reform execution.

01

Trial balance review, schedules, balance sheet, income and expenditure statement and supporting statements.

02

Bank Reconciliation

Month-wise cash book and pass book reconciliation, stale items, direct credits and direct debits.

03

Audit Compliance

Audit-ready files, reply drafts, evidence packs, notes, checklists and working papers.

04

Budget versus actual review, account head mapping, fund utilisation checks and structured reporting.

05

UCF Advisory

Urban Challenge Fund readiness, documentation, project finance positioning and implementation support.

06

Early-stage readiness for municipal bond, pooled finance and sustainability-linked finance opportunities.

07

ULB Financial Planning

Medium-term financial planning, fund discipline, controls and practical municipal finance roadmaps.

08

Municipal Finance

Advisory across accounts, finance controls, reporting, fund flows and municipal finance systems.

APPROACH

From scattered records to audit-ready output

1 Collect

Data, ledgers, bank statements, schedules and supporting records.

2 Review

Mismatches, missing heads, unresolved balances and control gaps.

3 Prepare

Statements, reconciliations, checklists, ratios and evidence files.

4 Submit

Structured outputs ready for audit and management review.

DELIVERABLES

Clear files. Clean trail. Less last-minute panic.
